A great war
broke out once..
It was between the Imperial
Army and the Alliance of
Small Nations. The people
named this war:
The Great Paladin War.
After many decades, the Imperial
Army finally prevailed, thanks to
the power of their Black Knights
and their overwhelming military
superiority.

However...
The heroes among the Knights of the Alliance, who did not admit defeat until the bitter end...
Became legends and their tales were passed on from mouth to mouth throughout the years...

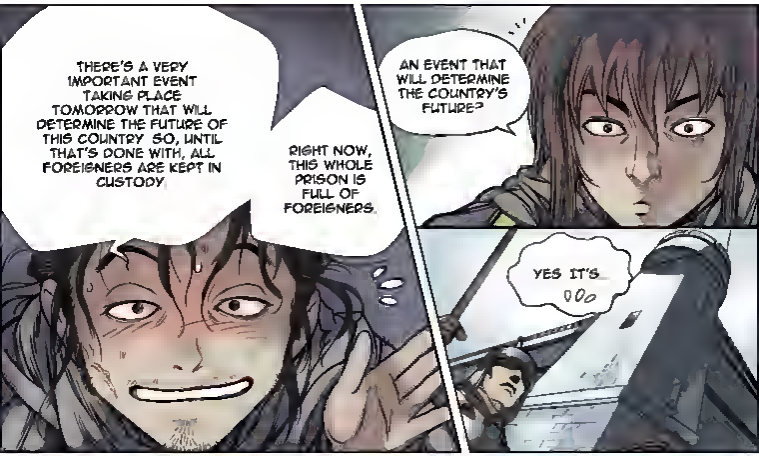
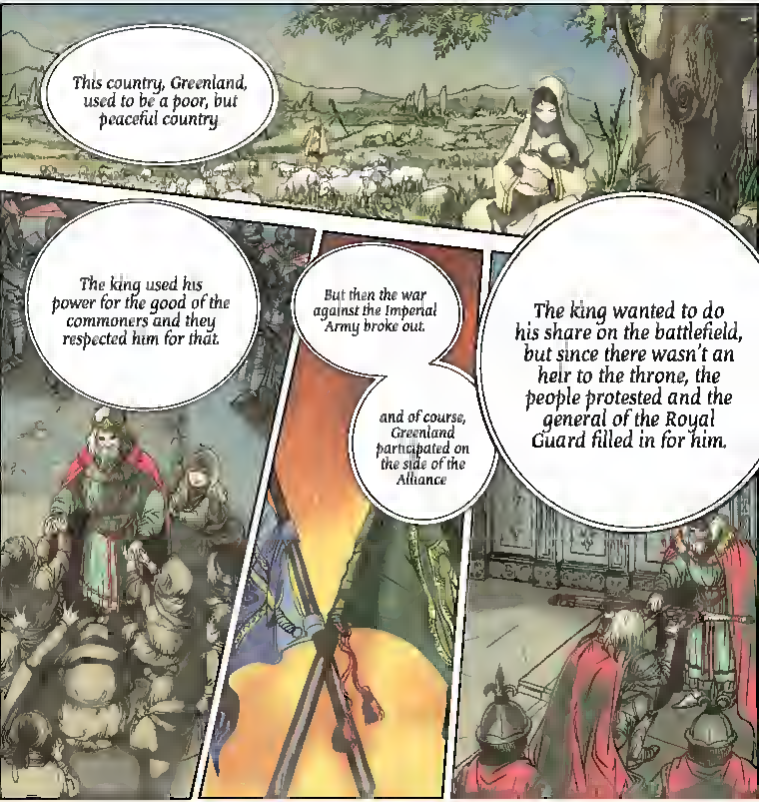
LOCKING ME UP DESPITE KNOWING I M ON A DIPLOMATIC MISSION... WHAT THE HELL IS GOING ON HERE?
TELL ME EVERYTHING YOU KNOW ABOUT THE SITUATION
YES.

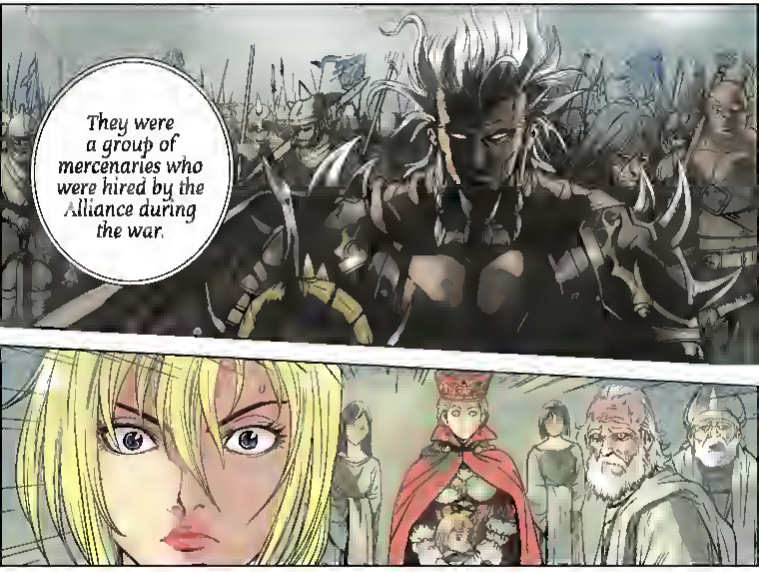


THERE'S A VERY IMPORTANT EVENT TAKING PLACE TOMORROW THAT WILL DETERMINE THE FUTURE OF THIS COUNTRY. SO, UNTIL THAT'S DONE WITH, ALL FOREIGNERS ARE KEPT IN CUSTODY.
RIGHT NOW, THIS WHOLE PRISON IS FULL OF FOREIGNERS.
AN EVENT THAT WILL DETERMINE THE COUNTRY'S FUTURE?
YES IT'S...



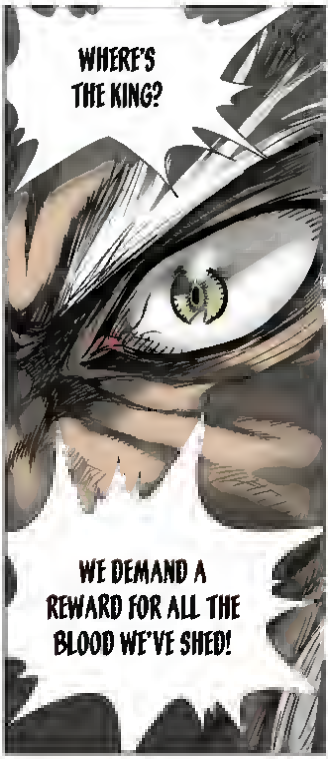
This country, Greenland, used to be a poor, but peaceful country
The king used his power for the good of the commoners and they respected him for that.
But then the war against the Imperial Army broke out.
and of course, Greenland participated on the side of the Alliance
The king wanted to do his share on the battlefield, but since there wasn't an heir to the throne, the people protested and the general of the Royal Guard filled in for him.

He used to be Greenland's only Paladin and the father of the current Royal Guard's general.
The current general was still in the mother's womb at that point.
When the war was almost over, the heir to the throne was finally born, but the king died of an illness before the year was over.
They say that he shed tears until the end, worrying about the future of the kingdom and the men that were fighting in the war.
And, as everyone knows, the war ended and the Alliance was defeated.
Just when about the country was starting to recover from the king's death, the news of the defeat along with the complete annihilation of their army drove the country into a state of shock again.
That's when THEY appeared.
THEY?

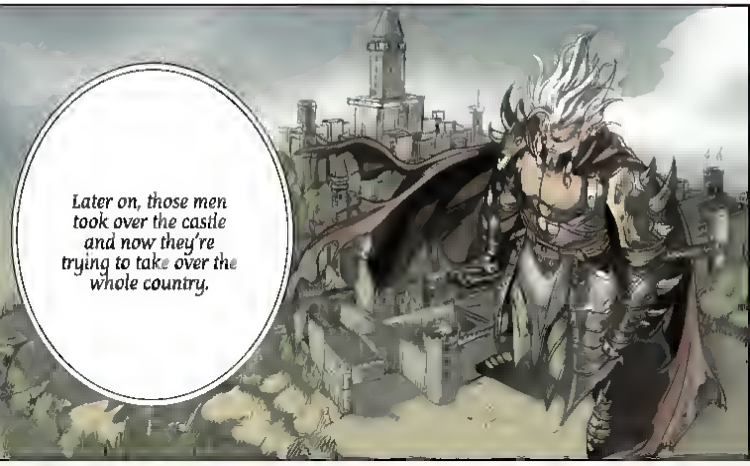


They were a group of mercenaries who were hired by the Alliance during the war.

WE FOUGHT FOR OVER A HUNDRED BATTLES BY THE ALLIANCE SIDE,
AND THAT'S HOW YOU REPAY US? BY MAKING US FUGITIVES AND WANTED CRIMINALS?

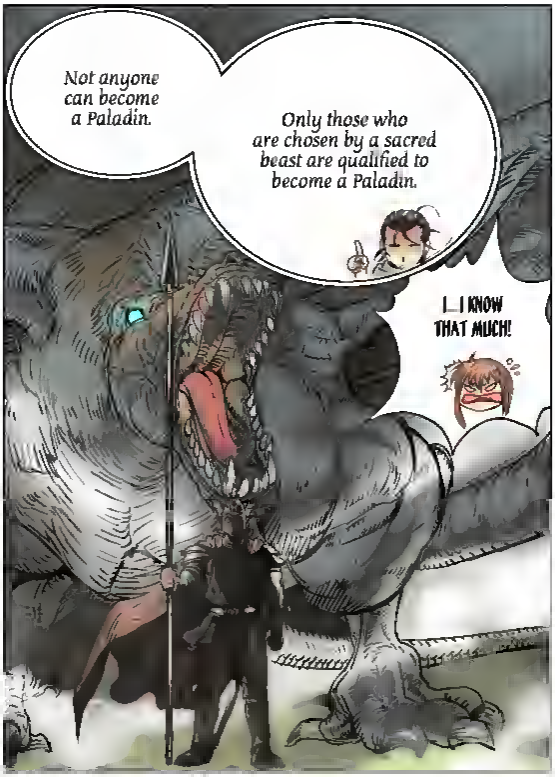


WHERE'S THE KING?
WE DEMAND A REWARD FOR ALL THE BLOOD WE'VE SHED!



Later on, those men took over the castle and now they're trying to take over the whole country.

HMM..
AREN'T THERE ANY PALADINS IN THIS COUNTRY?
WHY ARE THEY LETTING THEMSELVES BE SHOVED AROUND BY THOSE MEN?
CURRENTLY, THIS COUNTRY DOESN'T HAVE ANY PALADINS.
HOW COME YOU DON'T KNOW THIS AND STILL WORK FOR BALTA?
WELL...
INFORMATION ON SUCH A TINY COUNTRY LIKE THIS IS SCARCE...
Cough
.....

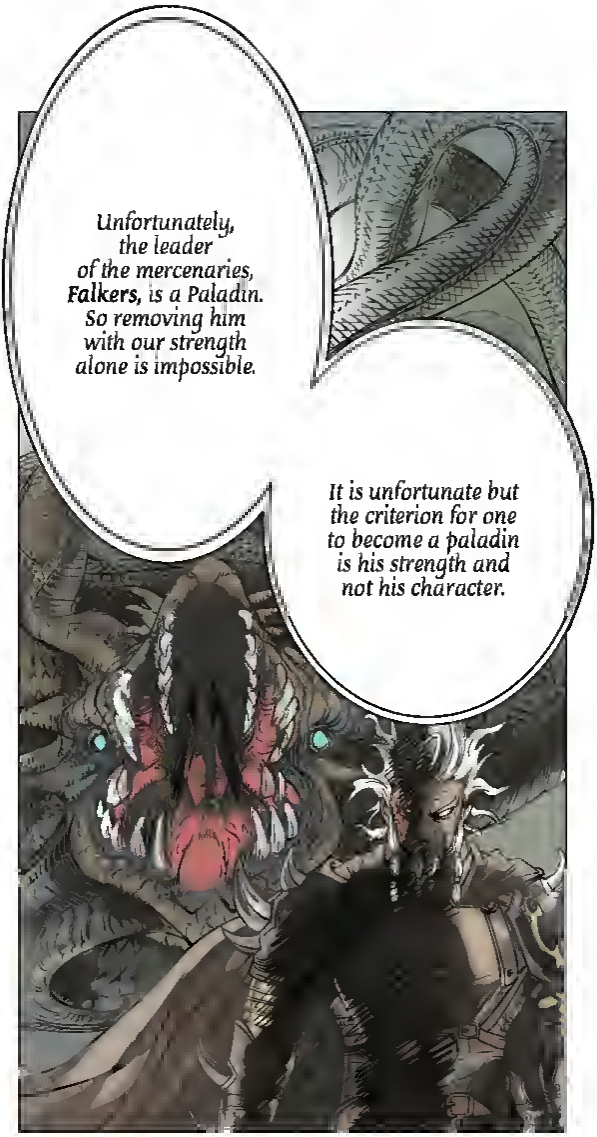


Not anyone can become a Paladin.
Only those who are chosen by a sacred beast are qualified to become a Paladin.
I...I KNOW THAT MUCH!

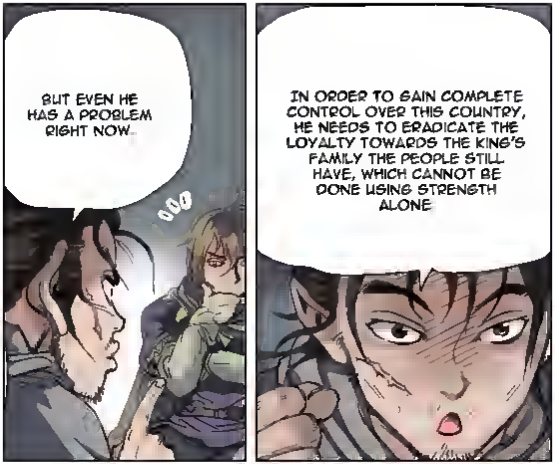
The number of Paladins in a country is directly related to the country's strength. Of course little countries like this don't have many of them.
This country used to have two Paladins. The former king and the former general!

When a Paladin dies, his sacred beast also vanishes with him.
They don't die, but they reverse to the form of an egg until a person with enough potential to become a Paladin appears.
I TOLD YOU, I ALREADY KNOW THAT!
The potential is often passed down through bloodline, but it doesn't always work that way.
So nobody knows if a Paladin will ever call this country home again
HEY, ARE YOU LISTENING TO ME AT ALL...?

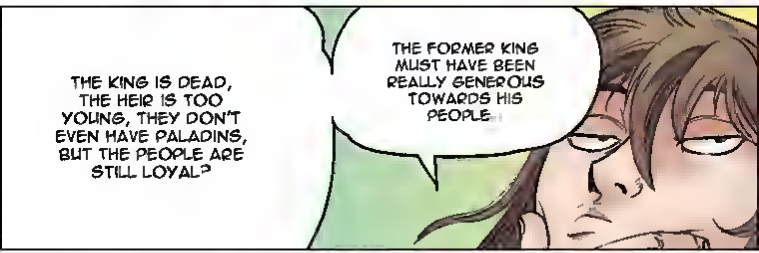
As you already know, the power of a Paladin together with his sacred beast is unrivaled.
Only another Paladin can take him on.



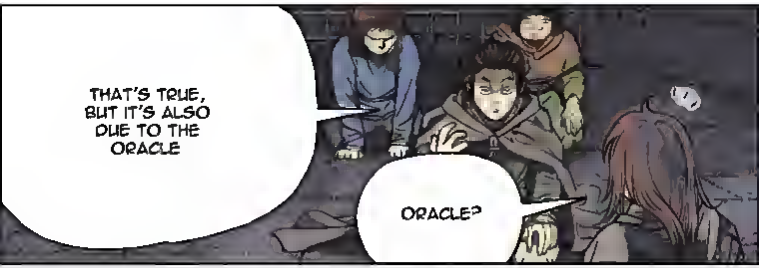
Unfortunately, the leader of the mercenaries, **Falkers**, is a Paladin. So removing him with our strength alone is impossible.
It is unfortunate but the criterion for one to become a paladin is his strength and not his character.



BUT EVEN HE HAS A PROBLEM RIGHT NOW...
IN ORDER TO GAIN COMPLETE CONTROL OVER THIS COUNTRY, HE NEEDS TO ERADICATE THE LOYALTY TOWARDS THE KING'S FAMILY THE PEOPLE STILL HAVE, WHICH CANNOT BE DONE USING STRENGTH ALONE

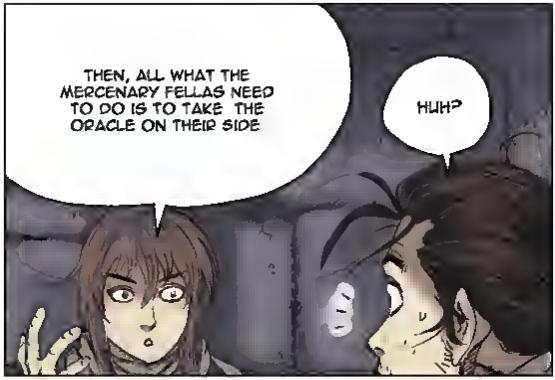


THE KING IS DEAD, THE HEIR IS TOO YOUNG, THEY DON'T EVEN HAVE PALADINS, BUT THE PEOPLE ARE STILL LOYAL?
THE FORMER KING MUST HAVE BEEN REALLY GENEROUS TOWARDS HIS PEOPLE...



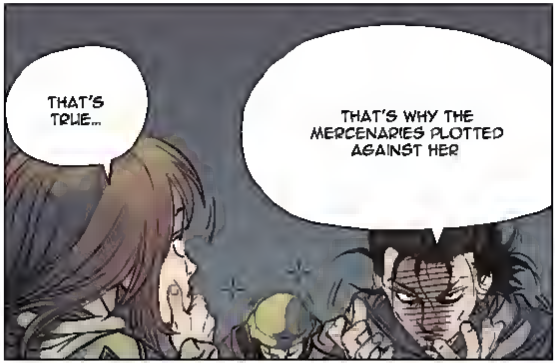
THAT'S TRUE, BUT IT'S ALSO DUE TO THE ORACLE
ORACLE?

The people's trust in the oracle is absolute!
They even say that a king who is not chosen by the oracle can own the land, but cannot become the king of the people.
HMM...



THEN, ALL WHAT THE MERCENARY FELLAS NEED TO DO IS TO TAKE THE ORACLE ON THEIR SIDE
HUH?

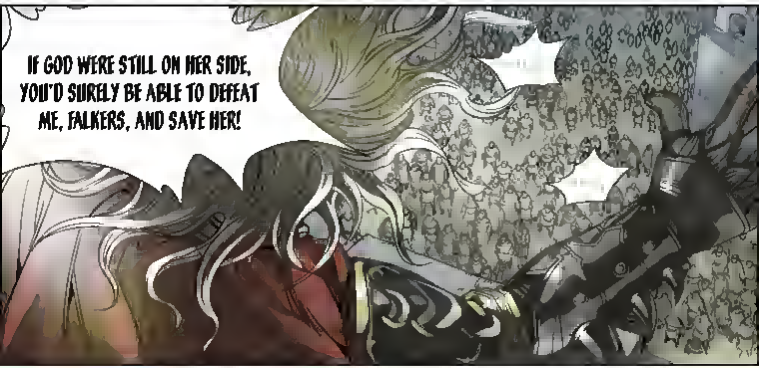
THAT IS TRUE..
BUT IF THE ORACLE WERE SOMEONE WHO COULD BE SWAYED SO EASILY BY THE ENEMY, WOULD THE PEOPLE HAVE TRUSTED HER AND FOLLOWED HER DECISIONS?



THAT'S TRUE...
THAT'S WHY THE MERCENARIES PLOTTED AGAINST HER

HOW?
THEY BROUGHT THE ORACLE TO COURT

THE ORACLE IS CORRUPTED AND GOD HAS FORSAKEN THIS COUNTRY!
THAT IS WHY THE FORMER KING DIED AND WE LOST THE WAR!
SO, TO HONOR GOD'S WILL, WE WILL BURN THE ORACLE ON A STAKE.
AND ANYONE WHO IS OPPOSED TO IT SHOULD RAISE THEIR SWORDS TO PROTECT THE ORACLE!



To be continued
